

Boston, Nov. 11, 1861,

Dear Burleigh;

In compliance with
y^r. request, I have sent
forward, per Thompson & Co's
Express, 20 copies of the
Report to y^r. address, care
S. L. Hill, Florence. — I
have also sent, per Adams
& Co's Express, a parcel of the
same to y^r. wife, at Plainfield,
Ct. — so far varying your
direction as to send to her the
whole of the balance, viz, 30
copies; — which I do, for
two reasons, viz, 1st To close

the business, & finish our
responsibility to you; and
2^d. That you may be sure of
having the whole of your copies.

Very truly Yours,

Sam^l May Jr

Probably nothing will come,
at present, of my inquiry in
relation to our sending an Agent
into Westn. Masses. —

I have heard nothing from Cum-
mington; — but Heywood may
have heard. He is not here now.
